

MATERIAL SAFETY DATA SHEET

Product: Fossilized Amber Oil

MSDS created 11 May 2010

1. IDENTIFICATION OF THE SUBSTANCE AND OF THE COMPANY:

Trade Name: Fossilized Amber Oil
Latin Name: Oleum Succini / Anbar
Usage: Perfumery as a fixative and base note
Manufacturer: Manufactured in Taiwan; Distributed by Eden Botanicals, 22567 Hyampom Road, Hyampom, CA 96046 USA. Tel: 1-530-628-9530 Fax: 1-530-628-5608

2. COMPOSITION / INFORMATION ON INGREDIENTS:

General Description: Fossilized Amber Oil is destructively distilled and refined from Amber originating in the Himalaya Mountains.
Type: Complex oil consisting of 41% essential oil components and 59% artifacts from the distillation process and the extreme age of the original fossilized resin.

3. HAZARDS IDENTIFICATION:

Hazards: No risks worthy of mention. Non-flammable.

4. FIRST AID MEASURES:

After inhalation: Remove individual to fresh air. Consult physician if problems persist.
After skin contact: If available, rinse area with an edible vegetable (fixed) oil such as sunflower oil, olive oil, etc., then wash well with soap and water. Otherwise, wash area well with soap and water only. Remove contaminated clothing.
After eye contact: If available, rinse open eye with an edible vegetable (fixed) oil such as sunflower oil, olive oil, etc., then flush with water. Otherwise, immediately flush open eye with copious amounts of water for several minutes. If irritation persists, consult a physician.
After ingestion: In case of accidental ingestion, induce vomiting. Follow with oral ingestion of milk or other protein to decrease absorption. Consult physician for follow-up.
Other: Consult physician if problems persist.

5. FIRE-FIGHTING MEASURES:

Suitable extinguishing media: Carbon Dioxide, Foam or Dry Chemical.
Extinguishing media which must not be used for safety reason: Water stream.
Special hazards by the product itself: None known.
Additional information: No particular measures required.

6. ACCIDENTAL RELEASE MEASURES:

Personal precautions: Avoid contact with skin and eyes. Wear gloves and protective clothing.
Environmental precautions: Keep away from drains, surface water, groundwater.
Process for cleaning and take-up: Small spills may be cleaned up by absorption with materials such as cloth or saw dust. Larger spills may be pumped or scooped into containers. Dispose in accordance with all local regulations.

7. HANDLING AND STORAGE:

Handling: Avoid contact with skin and eyes. Wear splash goggles and oil-resistant gloves. Provide good ventilation.
Storage: Store in cool temperature, protected from air and light, and in well-sealed containers.

MATERIAL SAFETY DATA SHEET

Product: Fossilized Amber Oil

MSDS created 11 May 2010

8. EXPOSURE CONTROLS / PERSONAL PROTECTION:

Protective / hygiene measures:	Remove contaminated clothing.
Respiratory precautions:	Do not breathe vapors.
Hand protection:	Wear oil-resistant gloves.
Eye protection:	Wear splash goggles.

9. PHYSICAL / CHEMICAL PROPERTIES:

Physical state:	Viscous liquid
Colour:	Dark red/brown color
Odour:	Smoky, leathery, woody
Solubility in water:	Insoluble
Solubility in ethanol:	Soluble
Flash point:	>100° C
Specific Gravity:	1.011 +/- 0.002
Refractive Index:	1.5066 +/- 0.001

10. STABILITY AND REACTIVITY:

Stability:	Stable at ambient temperatures.
Conditions to avoid:	Open flame, sunlight and heat.
Materials to avoid:	Oxidizing agents.
Hazardous decomposition products:	None – when used carefully.

11. TOXICOLOGICAL INFORMATION:

Acute toxicity:	Not known.
Further information:	Frequent or prolonged contact with skin may cause dermal irritation. May cause eye irritation.

12. ECOLOGICAL INFORMATION:

Ecotoxicity:	No data for ecological evaluation available. Under appropriate use, there are no ecological problems to be expected.
Further information:	Contains no heavy metals or inorganic compounds.

13. DISPOSAL CONSIDERATIONS:

Product disposal:	In accordance with valid, local regulations.
Contaminated packaging:	In accordance with valid, local regulations.

14. TRANSPORTATION INFORMATION:

General information:	Not Dangerous Goods and not DOT controlled in USA. Not classified as a hazardous material for transportation.
-----------------------------	---

15. REGULATORY INFORMATION:

Labeling:	No special labeling or markings.
------------------	----------------------------------

16. OTHER INFORMATION:

Other information:	This information is based on our current level of knowledge. It does not give assurance of product properties and it does not establish legally valid contract rights. The receiver of the product is fully responsible for adhering to all existing laws and regulations.
