| | | Use: Body/Skin Care. Our Vitamin E is the most natural and active we have found. The mixed tocopherols are derived from 100% NON-GMO sunflower seeds (no corn or soy) and are considered non-allergenic. It is naturally rich in monoglycerides (lipids that act as an emulsifier) and moisturizing phytosterols and squalene. | | | | | | | | | |

The Hydrosols we offer are specifically distilled for the Hydrosol, not as a co-product or even a by-product. The plant's cellular water and many components - normally lost under pressurized short steam runs for essential oil, or by using dried material - are what the producers specifically distill for by using only fresh plant material right from their farm or from local farms to ensure that the plant material is as fresh as possible.

ABOUT EDEN BOTANICALS ESSENTIAL OILS AND OUR CATALOG

SAMPLES: Samples (unless otherwise noted) come in clear glass vials with an applicator cap. Sample vials hold slightly more than 1 ml (about 35 drops) of essential oil.

TINY SAMPLES: 6 DROPS for liquid oils or a SMALL DAB on the applicator for thick (semi-solid) oils. Tiny Samples allow you to smell & savor these precious oils at minimal cost. Enjoy smelling the Tiny Samples and please purchase a larger size if you would like more.

ORGANIC: The oils and extracts that we list as organic are Certified Organic by international 3rd party agencies. Most of our organic oils are also NOP (National Organic Program - USDA) certified.

DILUTIONS: In-house blends of essential oil (or absolute, extract, etc.) and Fractionated Coconut Oil, which is one of the best carrier oils to use for diluting essential oils.

PURITY & GUARANTEE: All of our oils are 100% pure and natural, and many are certified organic and often come from developing countries around the globe. Eden Botanicals has devoted a great deal of time and effort to locating the highest quality oils available. We take into consideration the quality of the oil, the various uses, properties and values it holds for your needs. We import most of our essential oils, absolutes and extracts from the best distillers around the world, and continually seek out new and exciting essential oils to offer. We make every effort to offer our oils to you at fair and affordable prices, and offer them in sample sizes for you to experience and evaluate prior to purchasing larger quantities. As always, we promise our oils are 100% pure and natural, genuine and authentic - 100% satisfaction guaranteed.
